Garden of Hope Dedication

A special ceremony dedicating the new **GARDEN OF HOPE AT THE WELLNESS COMMUNITY VALLEY/VENTURA** was held to thank those whose donations have made the special place a reality. Naming markers throughout the Garden are in memory and honor of loved ones lost to cancer, created beautifully by Conejo Awards. The beautiful, landscaped Garden of Hope is a welcoming outdoor retreat and meeting space for individuals and groups; it is also an outdoor sanctuary for cancer patients and their families who come to The Wellness Community for programs of support, education, and hope. The Garden of Hope is located at the corner of Hampshire Road and Townsgate Boulevard in Westlake Village.

A private art reception was held at the new UBS headquarters in Westlake Village. The offices were filled with art and sculpture created by ACCV Board Members. Over a hundred guests attended the reception. ACCV President Kitty Dill addressed the crowd, talking about the importance of community collaboration.
