

**Tony Gitt**  
**Resume / Background**

**Education:**

BSEE - Pennsylvania State University

MBA - Pepperdine University

Various management and technical courses / seminars at UCLA, University of Pennsylvania

Wharton Business Management School & Harvard Graduate Management Business School

**EXPERIENCE:**

Program Manager for over 52 years in the Aerospace Industry – retired in 2014

Rose to the level of Vice President of Programs at Litton Aero Products – a \$150 million per year producer of Inertial Navigation Systems and GPS receivers

Over my career, I have managed development and production programs with values from a few hundred thousand dollars to over \$100 million including various missile programs, development of the first GPS Military receivers and various inertial navigation systems for commercial and military aircraft

Chair of Conejo Valley Unified School District Measure I Bond Oversight Committee

Measure I Bonds of \$197 million were passed by the voters in 2014. State law requires that an independent committee monitor district expenditures and periodically report to the voters that the expenditures are being done in accordance with the commitments made to the voters in the ballot measure

Commissioner on the Thousand Oaks Council on Aging

The Council on Aging (COA) provides recommendations to the Thousand Oaks City Council on matters concerning seniors. This is particularly important as the baby boomers retire and the senior demographics of our communities grow (10,000 people per day across the country are turning 65)

The COA has provided recommendations on senior affordable housing, making our community more age friendly, improving local transportation and other issues applicable to seniors

Director & Treasurer for Conejo Valley Village

Helped found and operate the Conejo Valley Village, an all volunteer, nonprofit 501 (c) (3) organization, whose mission is to help seniors stay in their homes for as long as possible and remain socially connected to our community.

Organization utilizes volunteers to provide services to members such as transportation, light home repairs, gardening and help with electronics, etc

Sponsors social events to engage members and volunteers (Moved to Virtual ZOOM events due to COVID19)

Operates a volunteer staffed, virtual call center that takes service requests from members and assigns them to volunteers

Operates an internet web site: [ConejoValleyVillage.org](http://ConejoValleyVillage.org)

I personally handle the organizations financial affairs and write grants as well as handle ZOOM setups and training for virtual meetings

Senior Assembly Member for California Senior Legislature (CSL)

The CSL is an official, State funded nonpartisan organization that works to preserve and enhance the quality of life of older Californians and their families. The CSL was established under California State law in 1980 and the organization has been responsible for more than 200 bills signed into law to help seniors. I work as a Senior Assembly member to help prepare, and advocate for laws that support seniors.

Ventura County Area Agency on Aging Advisory Council

**Tony Gitt**  
**Resume / Background**

The Ventura County Area Agency on Aging is the principal agency in Ventura County charged with the responsibility to promote the development and implementation of a comprehensive coordinated system of care that enables older individuals, children and adults with disabilities, and their caregivers. As a member of the Advisory Council, I help to develop and review existing and new programs to aid county elder and disabled citizens.

**Senior Advocate for Senior Related Causes**

Have helped with supporting Assisted Living and Memory Care facilities in the community as the needs grow and improving senior transportation needs

**Chief Financial Officer for Board of Directors of a Mammoth Condominium Project**

Serve as Chief Financial Officer (CFO) for a 92-unit vacation condominium complex for over 15 years

Duties involved:

- Preparation of annual budget of approximately ~\$600,000+

- Preparation of a 30 year replacement plan for major items such as roofs, plumbing, paving, etc, which would never require any special assessments from owners to complete the replacements as they were scheduled over the 30 year period

- Preparation of monthly and annual financial reports to owners as well as financial summary power point presentations to owners at quarterly meetings

**Aerospace Industry Manager**

Prior to my retirement in 2014, I worked as an engineer and program manager in various positions in the Aerospace industry. I rose to the level of Vice President of Programs at an Aerospace Company with annual sales of \$150 million. I led multimillion-dollar development programs for inertial navigation systems for commercial and military aircraft, as well as development of Global Positioning Satellite (GPS) receivers.

**Key Skills**

Planning and managing of complex activities staffed by diverse individuals with various specialties

Consensus management whenever possible of specialized and diverse individuals on the same team to achieve cost and schedule goals, often in difficult environments, but able to make the hard decisions when consensus is not possible

Development of spread sheet-based models to plan and monitor activities including budgets, cost to complete estimates and financial impact estimates

Preparation of proposals to secure funding or grants for various projects

**Other Interests**

Bicycling, Skiing, Scuba Diving, Stock Market Analysis / Portfolio Management
